Cabot Chamber of Commerce

Committees

_____ Established Industry Committee: The Established Industry Committee develops and maintains the community's economic base by being of service and meeting with established industries. The Committee will be involved in planning appreciation events and recognitions for our established industries. The Committee will conduct an annual survey of established industry's trends, needs and growth opportunities.

_____ Ambassador Committee: Ambassadors will be official representatives of the Cabot Chamber of Commerce. Ambassadors will participate in special events and ribbon cuttings. Ambassadors will participate in special events and ribbon cuttings. Ambassadors will be assigned a specific list of Chamber members to communicate with throughout the year.

_____ Membership Committee: The Membership Committee will be responsible for the retention of existing members as well recruiting new members to the Chamber. The Membership Committee will develop and administer the annual Membership Drive. The Membership Committee will assist the Board of Directors in the development of member benefits and incentives.

_____ Legislative & Governmental Affairs Committee: This Committee works to promote local, state and federal legislation, tax structure and regulations that support the economic development of the area. It encourages the development and implementation of programs and services that enhance the quality of life in Cabot, educates Chamber members on public issues affecting business, and encourages businesses to participate in the political process.

_____ Education Committee: The Education Committee works to establish partnerships between the business community, the public school system, regional higher educational institutions, and work force development programs.

_____ Seminar & Workshop Committee: The Seminar & Workshop Committee will develop a schedule of educational seminars and workshops aimed at the local business community.

_____ Volunteerism Committee: The Volunteerism Committee will be involved in developing Volunteer Appreciation & Recognition events. An annual Volunteer event will be planned for National Volunteer Week in April 2003. The committee will also work to develop a database of volunteers and the number of volunteer hours utilized annually in the community.

_____ Cabotfest Committee: The Cabotfest Committee will be involved in the planning and administration of the annual Cabotfest in October.

_____ Special Events Committee: The Special Events Committee will be responsible for the planning of special events throughout the year such as the annual Chamber Banquet and the I Love America Celebration on July 4th.
